Tricity Pain Associates
Quality Care, Delivered.

A Spindletop Pain Management Company

October 27, 2026

Dear Patient,

Tri-City Pain Associates, PA, Interventional Pain Management Physicians, PA, and Tri-City Anesthesia Associates, PLLC are closing and Elevior Spine Institute will begin seeing patients at former Tri-City locations. Tri-City will close some time on or after November 13, 2026.

Dr. Chapman, Dr. Shroll, and their care teams are all joining Elevior. You will be able to keep seeing Dr. Chapman, Dr. Shroll, and your other providers with Elevior.

Elevior Spine Institute is a local practice that has been serving patients as Integrated Pain Associates with locations throughout Central and Western Texas for over 15 years. Elevior physicians are board-certified, highly experienced leaders in pain management and minimally invasive surgery, delivering the most contemporary care to patients. Elevior's physicians can provide you with the excellent care you expect.

If you already have an appointment scheduled, no action is needed and you can keep your appointment as scheduled. If you have any questions, you can contact our offices normally at (844) 789-7246 or email us at info@sapaindoc.com.

If you need assistance or need to schedule an appointment, you can contact Elevior at:

- Elevior Spine Institute (f/k/a Integrated Pain Associates, PLLC) - **(254) 245-9175**

We are committed to ensuring a smooth transition of your care. If you prefer to transfer your care somewhere else, you may request a copy of your medical records by contacting us at (844) 789-7246 or info@sapaindoc.com (if before November 13) or Elevior at medrecords@ipaclinic.com or (254) 245-9177 (if after November 13) and someone will help you.

Sincerely,

Kenneth Efird

President & Chief Operations Officer
